GUARANTEED LOW PRICE

Price Guarantee: Two more great reasons to buy with confidence at Best Buy. If you're about to make a purchase and discover a lower advertised price offered by a local retail competitor on the same available brand and model, let us know and we'll match that price on the spot. Already bought? We'll refund you the price difference from our own sale price, or 110% of the difference from our competitor's sale price, up to 30 days after your purchase (14 days on select categories, 60 days for HDTVs purchased from 6/3/07 through 2/2/08). Either way, simply bring in proof of price while that lower price is in effect. The Price Guarantee does not apply to our or our competitors' free offers, limited-quantity items, open-box items, clearance items, mail-in offers, financing or bundle offers. For other exclusions and full details, visit BestBuy.com® or the Customer Service counter for our Price Guarantee Customer FAQ Brochure.

Rainchecks and Limitations: Unless noted, rainchecks are available for advertised products. We reserve the right to limit quantities. Unless noted otherwise, Best Buy rebates limited to one per product per household or address. Other limitations may apply.
